LOGO VECTORIZATION

$ 80 / HOUR

Already have a sketch of your logo and just need it vectorized? CryoDragon can easily convert your hand-drawn or raster logo image to a finalized vector logo

DETAILS:

Save money if you already have a rough logo drawn! It takes time to design a logo from scratch, so this cuts down on our time and reduces the overall cost of the job.

Revisions will be charged at an hourly rate if further edits are required to the logo design provided to our team.

CAPABILITIES:
